WORK EXPERIENCE

Sr. Cloud Consultant & Instructor
Cubee Technologies - *Remote*
Apr 2025 – Present

Advising and supporting enterprises in implementing Cloud Adoption Framework architectures for Azure, Microsoft 365, and hybrid environments, while ensuring Zero Trust security and compliance with international standards

Cloud Solution Lead
Sepia Solutions
Jan 2022 – Feb 2025

- Designed and deployed hybrid and cloud-native Entra ID identities for 1,000+ users, enabling SSO across 20+ SaaS applications.
- Implemented scalable Azure landing zones, WAF, load balancers, and geo-redundant backups following the Azure Well-Architected Framework.
- Architected and enforced ISO 27001 & BSI-compliant security frameworks, reducing security incidents by 70% in regulated industries.
- Design and implement secure, compliant environments leveraging Zero Trust architecture.
- Guided dev teams in CAF-based Azure adoption projects, improving scalability and governance.

Tools & Skills: Zero Trust Cloud Security, PowerShell, Terraform, Microsoft Intune, Microsoft Azure, Entra ID (Azure Active Directory), Identity & Access Management (IAM), Root Cause Analysis, Technical Documentation, Team Collaboration & Management.

Cloud Support Engineer
Sepia Solutions
Jan 2019 – Dec 2021

- Administered Azure subscriptions, M365 tenants, and Microsoft Partner Center accounts.
- Configured & maintained Azure Cloud Infrastructure, Performance and cost optimization, and application security policies.
- Supported Azure and M365 migrations, achieving 99% uptime and improving system scalability.
- Delivered L1/L2 operational support, resolving incidents quickly while adhering to SLA targets.

EDUCATION

Master of Computer Science
Mohammad Ali Jinnah University
2019 – 2022

Bachelor of Commerce
University of Karachi
2016 – 2018
